35 Mahmoud Ghoneim - Nasr City - Cairo - Egypt

SOFTWARE ENGINEER

Highly motivated graduate with a solid foundation in software engineering . Adept at bridging the gap between technical and business requirements, with a strong focus on quality assurance, process improvement, and efficient project management. Excels in collaborative environments and possesses a keen analytical mindset to identify and solve complex problems.

PROFESSIONAL EXPERIENCE

Intella

MAY 2026 - Present

Ai and Machine Learning

- Developed and optimized machine learning models, improving model prediction accuracy by 5-10%
 - Collaborated with the engineering team to preprocess large datasets, extract features, and deploy algorithms for predictive analytics.
 - Assisted in building Retrieval-Augmented Generation (RAG) pipelines to enhance conversational AI applications. Cleaned complex datasets and fine-tuned to improve context retrieval and response accuracy.
-

Intella

Jan 2025 - Jan 2026

Backend Developer

- Assisted in developing and executing test plans, test cases, and test scripts for various software projects.
 - Collaborated with developers to identify, document, and track software defects.
 - Participated in daily stand-up meetings and contributed to sprint planning and retrospective sessions.
 - Utilized automated testing tools to enhance testing efficiency and coverage.
 - Developed an automated testing framework using Selenium
-

Intella

March 2024 - Jan 2025

Software Tester

- Assisted in developing and executing test plans, test cases, and test scripts for various software projects.
 - Collaborated with developers to identify, document, and track software defects.
 - Participated in daily stand-up meetings and contributed to sprint planning and retrospective sessions.
 - Utilized automated testing tools to enhance testing efficiency and coverage.
 - Developed an automated testing framework using Selenium
-

TECHNICAL SKILLS

COURSES

Professional Full stack web development Diploma
YAT Centers

September 2023-JANUARY 2024

EDUCATION

Arab academy For science and technology and maritime transport (AAST)

Bachelor of Management and Technology 2021-2025

Majoring in **Business information Systems (BIS)**

College Student activities

Arab Academy Ambassador

Representing the academy in every summer admission activities - edugate - eduhub - traverse - Mapout and so many more educational fairs

Marketing Head In Ayc aast st.activity

Vice Head of PR and Marketing in Revolution of the union st.activity

Enactus Entrepreneurs Member st.activity

EXTRACURRICULAR ACTIVITIES

- **WordPress Websites/blogs Creation:**
Built and customized websites to meet client needs.
- **Mobile App Developer Using Native Technologies (react native, Flutter)**
